## JUST VIEWS: a Free & Open Monthly Video/ Discussion Program

**Fri March 9, 7:20 pm, 2007 -- BeLABORing Fast Food  
with special guests from the COALITION OF IMMOKALEE WORKERS**

The social, health and environmental implications of the "All American Meal" are hot topics that affect millions of us. Tonight after viewing a PBS short and a feature based on the best-selling book Fast Food Nation, we will probe the fairness of the subtitle "Do you want *lies* with that?" Representatives from an immigrant farm workers group will be with us -- and local counter workers, corporate and franchise managers and other insiders also are cordially invited to join our viewing and views sharing. We will learn from the Coalition of Immokalee Workers of FL how CIW interacted with Taco Bell in 2005 to achieve their goals for improvements and what's in the works with McDonalds and others this year.

These **2nd Friday evening Just Views programs start at 7:20 pm**, are sponsored by the DuPage Peace through Justice Coalition and are held **at the Unitarian Church in Naperville IL at 4 S 535 Old Naperville Road** (630/505-9408).

**Directions:** Go (south of Route 88) to the corner of Naperville Road and Diehl. Proceed one block east along Diehl, then turn left/north. Enter the Unitarian Church ahead on your right.

Just Views (JV) shows great films on the big screen about vital peace-and-justice issues on *2nd Fridays monthly for free!* College and HS students are urged to join the adult public. View and then share views from various vantages with citizens and invited resource persons. Each night is a stimulating, informal, stand-alone experience. Give suggestions to JV Director sociologist Stephanie Hughes 630/420-4233. Mark your calendar ahead for each second Friday night, pass along this notice, and bring friends!
