JUST VIEWS: a Free & Open Monthly Film & Discussion Program

Friday, May 9, 2008 at 7:20—**Talking Trash & Taming It**

This film takes us on a "trashy odyssey" showing where go the water, foods, goods, packaging materials -- all the *stuff* that we use and then put out -- and how much time and effort, energy and space are required to deal with our discards. This documentary (mis)named Garbage! exposes how our households are ferocious environmental predators. And it dramatically shows how, as the subtitle declares: The Revolution Starts at Home. The Green Sanctuary committee is supplying this feature (source: 800/819-0701, andrew@andrewnisker.com). They will spark audience deliberation following it -- about what more each of us can do, if we commit, to minimize our polluting ways -- with each flush, each errand, each purchase, each paper, each bag . . .

These **2nd Friday evening Just Views programs start at 7:20 pm**, are sponsored by the DuPage Peace through Justice Coalition and are held **at the Unitarian Church in Naperville IL at 4 S 535 Old Naperville Road** (630/505-9408).

Directions: Go (south of Route 88) to the corner of Naperville Road and Diehl. Proceed one block east along Diehl, then turn left/north. Enter the Unitarian Church ahead on your right.

Just Views (JV) shows great films on the big screen about vital peace-and-justice issues on *2nd Fridays monthly for free!* College and HS students are urged to join the adult public. View and then share views from various vantages with citizens and invited resource persons. Each night is a stimulating, informal, stand-alone experience. Give suggestions to JV Director sociologist Stephanie Hughes 630/420-4233. Mark your calendar ahead for each second Friday night, pass along this notice, and bring friends!
